

Sherman County Community Foundation
Scholarship Application

NAME OF SCHOLARSHIP APPLICANT: _____

The following request is designed to give the scholarship committee a more accurate depiction of the applicant and his/her character in regard to community projects. The Foundation encourages giving back to our communities, whether through monetary donations or the giving of our time.

In the space below or on an attached sheet, please make a list of all substantial community activities that you have volunteered for in the past. Choose one activity and describe the following:

1. Name of project for which you volunteered and location of project, name of project supervisor or any other adults involved.
2. The time span you were involved with this particular project and number of hours that you devoted to this project.
3. Describe exactly what you did for this project and how your efforts made a difference in your community or organization.
4. Please provide any insight that you may have gained from volunteering your time for the benefit of others.
